A sepia-toned photograph of a stone pillar, possibly a well or a monument, standing in a wooded area. The pillar is constructed from rough-hewn stones and has a small, dark, vertical object (possibly a tree trunk or a post) emerging from the top. The background is filled with dense foliage and trees, creating a textured, dappled light effect. The overall tone is warm and historical.

The Campus

Dedication . . .

THIS ANNUAL IS DESIGNED TO BE A TREASURY OF MEMORIES AND A RECORD OF APPRECIATION.

IT IS DEDICATED TO AN UNUSUAL MAN WHO HAD A LEADING ROLE IN LIPSCOMB'S PROGRAM OF PROGRESS.

HE TAUGHT NO CLASSES DURING HIS YEARS AT LIPSCOMB. HE NEVER MADE A CHAPEL TALK OR PRESIDED OVER A LIPSCOMB BANQUET. HE THOUGHT OF HIMSELF AS ONLY A PLAIN BUSINESS MAN. AND YET NO ONE CONNECTED WITH THE SCHOOL HAS EVER BEEN BETTER LIKED BY THOSE WHO KNEW HIM.

HE WAS AND IS FAR MORE THAN A BUSINESS MAN. HE IS ABOVE ALL A CHRISTIAN GENTLEMAN. HE IS ALSO A MEMBER OF THE BOARD OF DIRECTORS. HE WAS THE BOARD'S TREASURER AND THE SCHOOL'S BUSINESS MANAGER FOR ABOUT TEN YEARS. DURING THAT TIME HE WAS EVERYBODY'S FRIEND AND A COUNSELOR TO WHOM EVERYONE WAS GLAD TO LISTEN.

CARRYING A DIFFICULT RESPONSIBILITY DURING A DIFFICULT TIME IN LIPSCOMB'S HISTORY, HE PLAYED A MAJOR ROLE IN LIPSCOMB'S PROGRESS, BUT PARTICULARLY IN ITS RECOVERY FROM THE FINANCIAL DEPRESSION.

NO ONE HERE DURING THE THIRTIES IS REMEMBERED BY MORE STUDENTS OR MORE COMPLETELY COMMANDS THEIR GOOD WISHES THAN HE.

THEREFORE, THE BACKLOG STAFF CONSIDERS IT A GENUINE PRIVILEGE TO DEDICATE THIS BOOK TO ONE OF LIPSCOMB'S NOBLE MEN, ONE OF HER GREATEST FRIENDS,

Fletcher L. Williams

Students assembled for "Chapel Singing" — A Columbia Network Feature

As religion is one of the things which elevates man above the baser animals, so Christianity is the principal element which makes David Lipscomb rise above the ordinary college. A love for God motivated the great men who founded the school, and, we are persuaded, it is the consuming influence of those who now direct its destinies. Social contacts make a school valuable; intellectual attainments make it great; but only spiritual emphasis can make it truly powerful in the life of people.

Chapel

Underneath the gaily, hustle, and hard work of college life is a deeper feeling of reverence for things sacred — a desire to commune with the Supreme Being who has created heaven and earth. This feeling receives profound expression in the daily chapel services in Harding Hall. Studies are laid aside. Conversation dies out. Inspiring hymns of the faith rise to the roof of the auditorium. As a half-thousand young

Fall Meeting

Christians sing in the full vigor and confidence of youth, it seems that nothing can ever divert their souls from the way of truth. Scripture readings and prayers add to the spirituality. Sometimes visitors, usually outstanding Christian ministers, deliver messages of exhortation and encouragement.

C. B. S. Programs

Perhaps the grandest experiences are the nation-wide broadcasts of hymns over the Columbia network. Messages from former students, friends, and total strangers alike have expressed appreciation for these spiritual programs.

Church

Students can conveniently attend regular worship services with an alert, active congregation meeting on the campus. M. Norvel Young, minister of the college church, supplements the instruction of the school faculty with his plain, yet scholarly teaching.

Early evening worship in Elam Hall

Mid-week meetings

Thursday evening is set aside for "prayer meeting." The talks, prayers, and scripture readings are given for the most part by the students. In the death of Robert S. King, senior elder, on October 4, 1941, the college church suffered an irreparable loss.

Mission Study

Each Monday evening a group assembles for worship and study with the emphasis on mission work. Wisely counseled by G. W. Kieffer, the class not only considers the problems and prospects in foreign work, but also emphasizes the great need of missions even in Middle Tennessee and Nashville. Every Christian is shown that he can have part in a practical missionary effort of his own.

Devotions

The devotional periods conducted informally in the dormitories add inspiration to the lives of those attending. Problems are discussed in an intimate, quiet way, and devotion is sobering and reverent.

TRAINING YOUNG PEOPLE

Bible Classes

Every day each student attends a Bible class conducted similarly to regular academic classes, and receives the teaching of ministers who have particularly prepared themselves for classroom instruction. Courses are so planned as to cover the entire Bible in the two years. In the high school the plan is to study the whole of the Bible during the four years.

There are also special courses for those interested in the various phases of Christian work. The courses dealing with the preparation for marriage and the problems of home life are among the most popular elective courses in the entire curriculum.

Other courses serve as aids to the study of the Bible. Many difficult words and expressions of the Bible are better understood because of our study of the New Testament in the original Greek. Mrs. Calhoun's public speaking class for those desiring to preach gives special emphasis to oral Bible reading and sermon delivery.

Under the direction of Brother Pack a class is conducted each Tuesday night at 9:00 to study and discuss problems that confront Christian workers. This is a very practical study of the procedures to use in making arrangements for funerals or weddings, visiting the sick or doing charity work. Some time is given to making sermon outlines and to studying the types of church records. Brothers Ijams and Pullias have also worked with this group.

These have as their purpose: "Go ye into all the world and preach the Gospel..."

On these rests the responsibility of teaching the Bible

Our Guests

The annual lecture series, arranged by Athens Clay Pullias, head of the Bible department, was attended by preachers and leaders from all sections of the brotherhood. Evangelists who lectured were: H. M. Phillips, Charlie Taylor, John B. Hardeman, Leslie G. Thomas, H. Clyde Hale, C. M. Pullias, B. C. Goodpasture, S. H. Hall, George S. Benson, T. Q. Martin, Norvel Young, Gordon H. Turner, C. L. Overturf,

and Marshall Keeble. Round table discussions and classes were held for more informal instruction. On Friday evening, January 30, about 175 church leaders attended the Fellowship Dinner honoring preachers who have been in active service forty years or longer. After the dinner, T. Q. Martin, of McMinnville, delivered the final lecture of the series, "A Message to Youth," to an overflow crowd.

Editor **Eunice Wharton** and Associate Editor **Sally Ammerman** discuss just what they want to do with the faculty pictures.

It has been the aim of the 1942 yearbook staff to record in pictures and print a cross-section of life at Lipscomb. In keeping with the spirit of Lipscomb, the style of the book is informal. For the editor, associate editor, sponsor and the rest of the staff it has meant long, late hours of hard work, but along with them go the priceless joy of accomplishment.

The Music Club was organized last fall to create more appreciation for classical music and to give its members a chance to gain experience in performing in public. Its programs at each meeting featured performances by music students and faculty, lectures on music appreciation, illustrated by records of great musical selections. The club is sponsored by Mr. Josiah Darnall, Miss Meta Harris, and Mr. Andy T. Ritchie.

As usual, more than half of the old Glee Club members graduated, leaving only eleven around which to build a new club last fall. But there was an unusually large amount of promising material in the freshman class, making it fairly easy to build up the club membership. The big task before director Neil was that of training the boys to sing and to develop a suitable repertoire. This necessitated three regular practice periods each week besides numerous special meetings, which soon gave the Glee Club the reputation of being among the most active clubs on the campus.

The new club, thus formed made its first appearance at Goodlettsville on a tour that took it into Kentucky. Later it gave an evening concert at Old Hickory. During the spring holidays the club made a two day tour, making eleven appearances during that time, with evening concerts at Florence and Lewisburg. The latter part of March, the group made another two day trip, this time into northern Tennessee and Kentucky.

In all, twenty-five concerts were given.

New features in the programs this year were solos by Richard Rivers, tenor and Tyne Brewer, bass. The readings of Chas. R. Brewer, which have been featured on the Glee Club concerts before, were even more enthusiastically received this year. Ann Richmond, serving her first year as accompanist, proved invaluable.

Band

OFFICERS

Bobby Ridley	President
Ella Lee Freed	Vice President
Eleanor Goodpasture	Secretary - Treasurer

The Band leads the crowded gym in "Onward, Lipscomb, Onward," as the team comes on the floor, the band announces its concert, the band makes plans for its banquet, the band plays for May Day — all these are becoming Lipscomb traditions. From the time it organized in September until graduation in June, a full schedule kept its members "busy and happy."

The band has grown this year under Mr. Darnall's excellent direction. By greatly improving the instrumentation, he has obtained a fine balance.

Not satisfied with just the year's results, he has made definite plans for the years to come, so here's to the Lipscomb band of the future.

Radio

String Ensemble: Josiah Darnall, Robert Bright, Margaret Smith, Louise Evans, Sally Ammerman.

Some of the most active students on the campus compose the String Ensemble, the Choristers, the Radio Staff and the newly organized Girls' Glee Club.

The Ensemble under the direction of Mr. Josiah Darnall, the Choristers and Girls' Glee Club, directed by Andy T. Ritchie, have made numbers of appearances during the past few months. Hours of real work and memorable pleasure have resulted in a year of special achievements worth applauding.

Left to Right: Williams, Arnold, Morgan, Rivers, Self, Murphy, Ritchie, Bradford, Watson, Hubbard, Prichard, Prevatt, Key, Mitchell. Seated: Louise Evans.

Workshop

The Radio Staff, Robert Upchurch, Clarence Dailey, Jack Duncan, announcers; Joe Cummins, technician and Gene Pullias, BABBLER Reporter, has prepared and presented two programs weekly through the local station W.L.A.C. They are under the supervision of Andy T. Ritchie, radio director.

All dramatic activities of the college are centered in the club, which strives to give an outlet for expression to the dramatic talent of the school, and in doing so to present public programs that will be entertaining and profitable.

The more important productions of the year were a three act play and a program of one act plays.

The Commercial Club has tried to promote interest in the study of commercial subjects, to obtain from experienced men training and opportunities, to become better acquainted with modern business methods and systems, and to encourage social spirit by offering opportunities for wholesome contact.

This year the club has been active in carrying out its aims. News reels have been shown during the year on modern business office practice.

Rapelle - Toi

The Rappelle-Toi, which was formerly a French Club, has been expanded this year to include all modern language students.

Its purpose is to better acquaint the students of each language with the language he is studying and also with the other modern languages. Through interesting programs the language study is made easier and much more enjoyable.

The activities of the Home Ec Club range from planning and serving formal teas to scrubbing windows and waxing floors. The Club is justly proud of the seven cubic foot refrigerator they bought with the proceeds from sandwiches and cold drinks they made and sold each night. The Club also purchased a set of crystal for the department.

An accredited member of both the state and national organization, it is one of the largest and most active clubs on the campus. A major attraction at the monthly meetings was the refreshments prepared and served by the members. Although primarily for Home Ec majors, the membership is open to any student interested.

It is the duty of the club to help in all banquets, teas, and luncheons held on the campus. Included in these were the Alumni Banquet, P. T. A. Auxiliary Luncheon and the Mother-Daughter Banquet.

The club also sent three delegates to the state convention.

The Future Teachers' Club prides itself in being one of the most practical clubs on the campus. It is primarily for those who plan to enter the teaching profession, but also is to encourage the highest type of boys and girls to enter training for teaching.

The club was host to several interesting speakers during the year who did much to liven the meetings.

Although just a minor club it has one of the largest memberships, and will be remembered by the members for the active part it played in their school life this year.

Penmanship Club

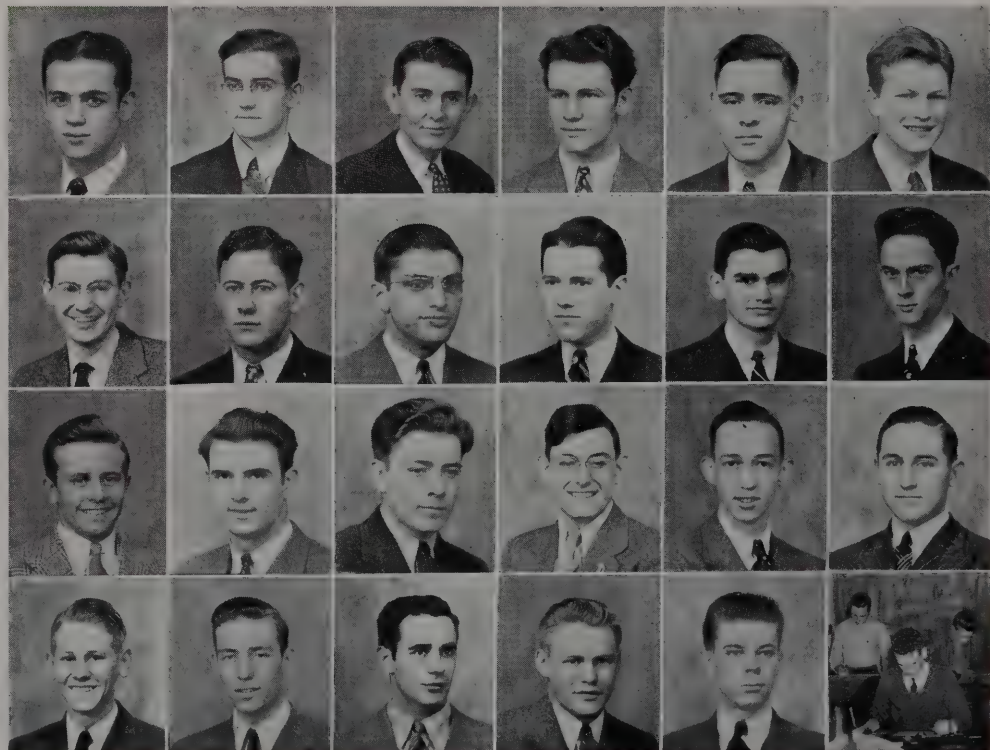

Realizing that poor penmanship is a difficulty hard to overcome unless worked at systematically the Penmanship Club organized during the winter quarter of this present session with that purpose in mind. Handicapped somewhat by its late start, the club under the direction of Mrs. Pittman is now proving the value of good handwriting.

Pre-Engineering students organized the Engineers' Club last year to promote interest in engineering as a profession and to aid in selecting a specific branch as a career. Open for membership only to those interested in it, it is a relatively small and select group. The individual members are kept so busy in their labs and doing their calculus that they have found little time to function as a group.

The Pepettes again this year made the athletic shows in the gymnasium more interesting and colorful with their clever drills and formations between the halves of the college basketball games.

The club made the trip to Vanderbilt where they amazed thousands of spectators by their difficult formations. The crowning event of the year was the trip to Jackson to the M. V. C. Tournament where the Pepettes helped the Bisons win their second consecutive trophy. The Pepettes, appearing in the Bemis gym at the half of the semi-final game, cheered the Bisons on to a sweeping victory. During the half of the final game their drill was a combination of the best parts of all the drills and formations of the year.

Mary Catherine Castleman, chosen by President Ijams as captain, was an excellent and capable leader; and together with the new mascot, Neika Brewer, made a very attractive picture on the gym floor.

The club, now in its tenth year, was selected by a vote of students and tryouts before an Alumni Committee.

This is the first complete year for the student board under the new constitution, drafted by last year's board. The purpose of the board, according to the constitution, is to conduct all campus elections and to faithfully represent the Student Association, thus promoting a better understanding among the groups within the school. Accordingly, the board has tried to fulfill these responsibilities and has conducted all the elections.

In so far as it has fulfilled its other purpose of creating a better understanding among the school groups and in encouraging scholarship and Christian living, it is greatly indebted to the Babbler for space in its columns.

One project sponsored by the board was the second annual barnyard jamboree to pay for the honorees' pages in the Backlog.

Besides its regular meetings, the board enjoyed several dinners at school or in one of the member's home.

The Rural Life Club was organized in the fall of 1941 to bring together young people interested in community life, to plan wholesome social activities, and to study the problems of the rural church.

Under the leadership of Mr. Kuykendall and Dean Parks, the Rural Life Club has had very interesting and beneficial meetings. Programs usually consisted of one or two short educational films and talks either by the members or sponsors of the club.

Organized last year for the students who did not have "home" clubs, the Kosmos members have had a full and enjoyable year. States represented in the club include: Mississippi, Missouri, West Virginia, Oklahoma, Colorado, and Michigan. The main purpose of the members of the club has been to promote better understanding about the different parts of the United States. This was accomplished by the various members giving their home state a pep talk.

Standing: Mulliniks, Merritt, Newland, Hopper, Cope (Sponsor), Wharton,
Seated: J. Trantum, Netterville, Morgan, D. Trantum, President Wells, Huffstutter.

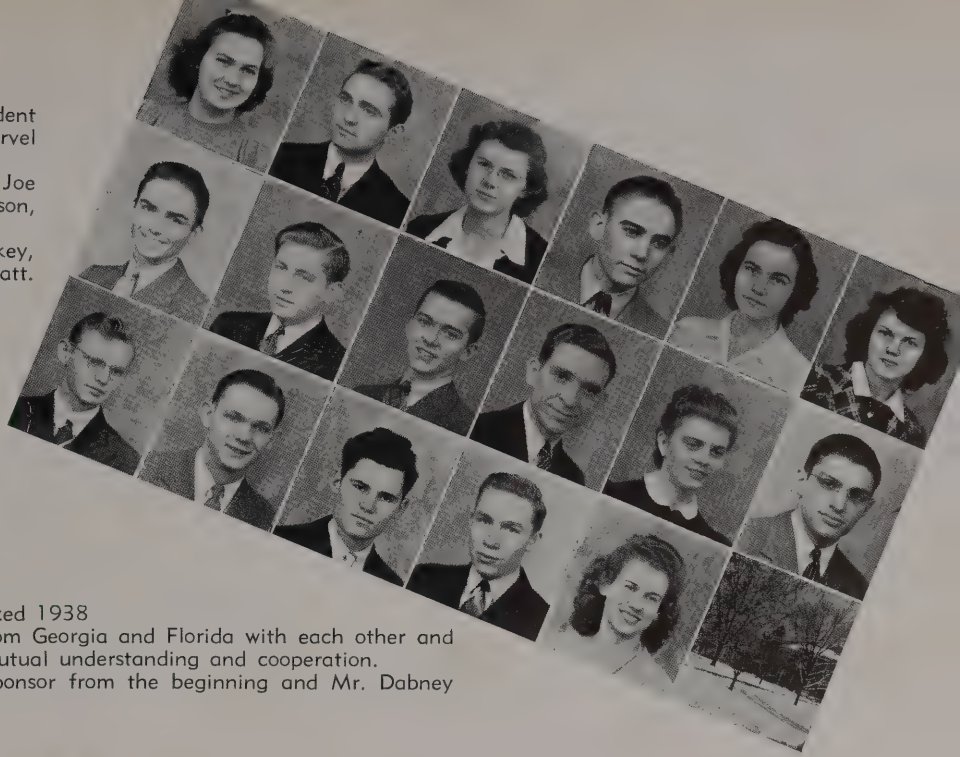

Kentucky Club

The Kentucky Club has been organized only two years and since that time the club has almost doubled its initial enrollment. The purpose of the club is to learn and promote better fellowship among the members. Another aim is to encourage more students from Kentucky to attend Lipscomb and to carry this out, each one of us is to write one or more prospective students.

for the purpose of acquainting students from Georgia and Florida with each other and their respective states, and for fostering mutual understanding and cooperation. Mrs. Helen Johnson has been honorary sponsor from the beginning and Mr. Dabney Phillips is now active sponsor.

Alabama Club

The Alabama Club is the largest state club at Lipscomb and one of the most active. The club was established for the purpose of bringing together the students from Alabama. The students come chiefly from Anniston, Birmingham, Montgomery, Selma, Athens, Florence, and Sylacagua. Not only the students represent Alabama at Lipscomb but also the faculty. President Ijams and Brother Brewer are native Alabamians.

Another feature of the club is Alabama Day, which takes place early in the winter quarter. On that day each member wears an A during the day and that night there is a dinner which all the members attend.

I. R. C.

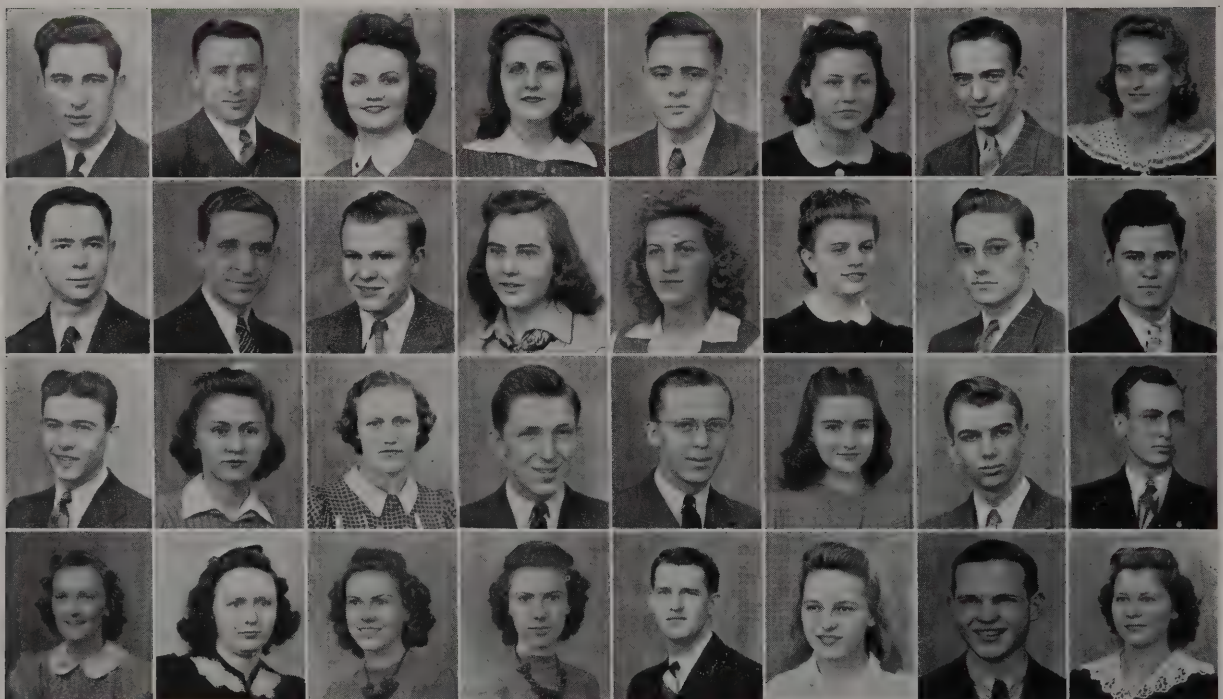

The I. R. C. was organized in 1935 by its present sponsor, Dean Parks. This year it has met regularly twice a month to discuss international relations in order to develop a sympathetic understanding of other nations.

It has received many valuable books and news summaries from the Carnegie Endowment for International Peace which have been added to their already valuable collection of books.

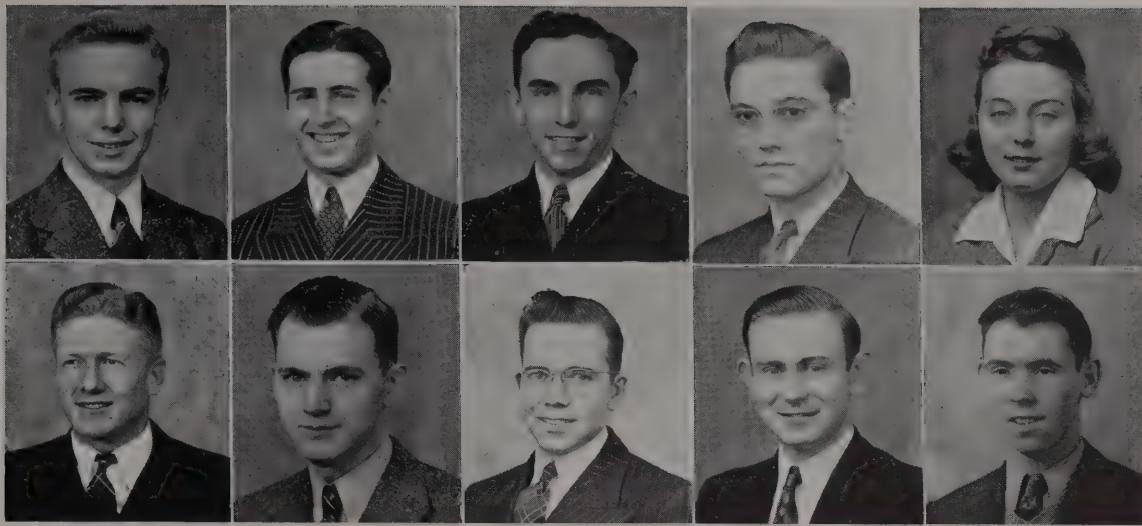

The club enjoyed its second annual banquet at the Sam Davis Hotel.

Standing: Hudgins, Draper, Freed, Maddox, Gaw, Prichard, Pitts, Rees, Pylant;

Debaters

The Debate Club, under the sponsorship of S. C. Boyce, has had a pleasant and active year. Besides discussing the national debate question, the club held debates within the club on practical subjects. The club had teams represented in both interscholastic and intramural meets. The project of the year was to organize in concrete form the basic rules of parliamentary procedure, which they had mimeographed and distributed.

 Second Row: Sterling Fox, President Betty Hagewood, Pat Hardeman, Billy Hood, Frances Horn;
 Third Row: Reba Ijams, Verner King, Ruth Shacklett, Betsy Thompson, Lorraine Zenor.

The High School Dramatic Club, organized early in the fall quarter, held regular meetings once a week throughout the year. The purpose of the club was to cultivate a better voice, a more poised body, and a finer creative interpretation of literature. Several one-act play programs were presented, and the club was represented at Clarksville in the Middle Tennessee one-act play contest.

David Scobey, truly Lipscomb's son, will leave a large place to be filled on the Lipscomb campus. Even though the Bison basketball team will feel this loss most keenly, we might name the tennis, baseball, and intramural teams also. And then there's the Men's Glee Club of which he is a staunch member of the tenor section. Neither will we forget his work as an honor student, and his major course, campusology!

Twice selected on the M. V. C. all-conference team, David has made and broken all kinds of records. His thirty-two points in the Florence game set a new high scoring mark. Emil Roth and Lallie Ritcher, who are among the best referees of Nashville, said in one of the local papers that he was the best small man that ever performed on the hardwood floor. But basketball isn't Dave's only achievement. Expert in baseball and tennis as well, he carries his good sportsmanship and clean play wherever he goes.

BISONS - '42 VERSION

Darkhorses? Yes, but they paid off at the gate, Coach Nance's Bison herd thundered to surprise victories this season over such able teams as Murfreesboro, Cumberland, Sewanee, and Southwestern. In fact, the usual occurrence was for "Coach" to predict a loss and the boys to turn the tables and win.

The official record of 7 games won and 4 games lost tells only half the story. It was a team which lacked individual star players, but the fight and spirit of each boy combined to make the 1942 Bisons one of the classiest, scrappiest teams to ever wear the Lipscomb colors.

The courage and fight of this team was so outstanding as to catch the admiration of Nashville businessmen which resulted in a banquet for the boys and their "inspirations." During the banquet there was quite a bit of reminiscing. Most spoken of was the spirit which these boys carried where ever they played. And what is this spirit? It consists of clear, hard fighting, Christian conduct, and the ability to take victory and defeat in the same stride.

THEIR CHOO-CHOO WAS OUT OF STEAM

In its first home game of the season, Lipscomb came through with the goods by upsetting the favored University of Chattanooga. In the last two minutes of play Thorpe sunk one from the foul line to put us ahead 32-30; then Fleecy Ray hit the hoop with a spinning one-handed shot to keep us ahead. As the score was almost tied, and the game nearly over, Woodlee, good ole Woodlee, rang up two points to win the game 38-34.

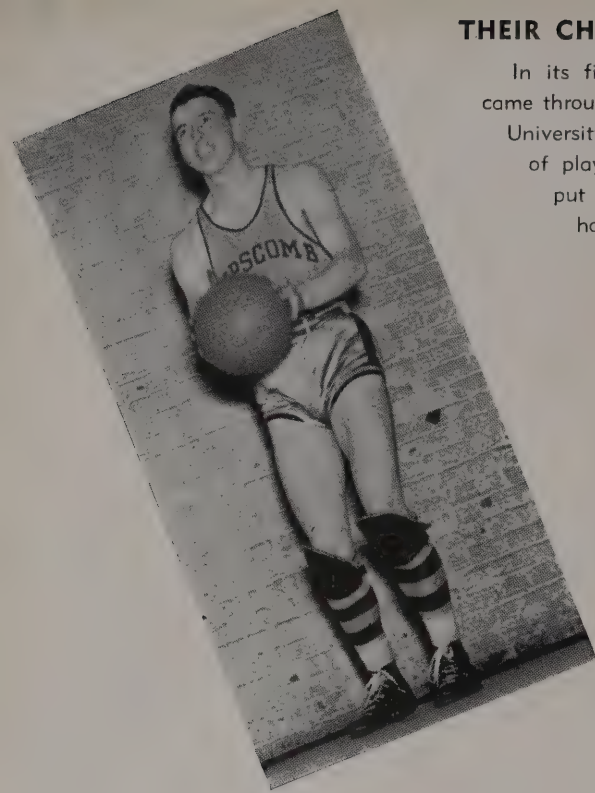

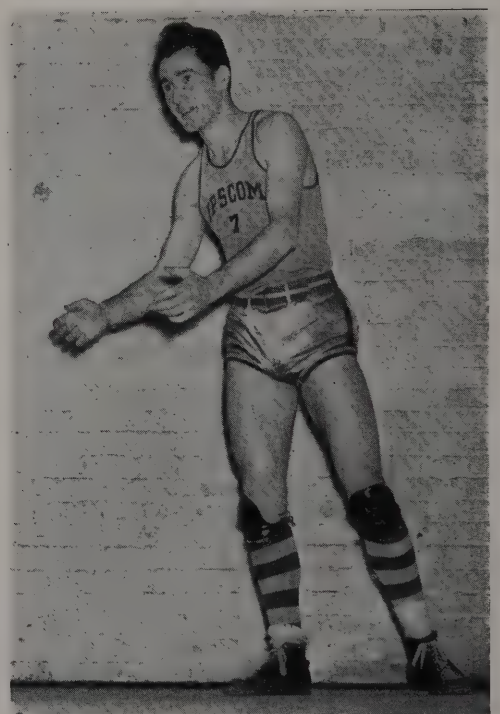

This was the first real test for the boys, and the first chance for Lipscomb fans to see what Coach Nance turned out in the 1942 Bisons. This also was the first appearance of the Pepettes.

FELIX RAY — Better known as Fleecy or "Rope", it was Ray who took the burden of scoring when Scobey was out. Tall, lanky, smooth ball handler and master of a wheeling one-handed shot around the foul line, Fleecy's spirit makes dull games become non-existing.

SCOBEY — Diminutive sharp-shooting forward, who never failed to turn in an A-1 performance, whose unerring accurate long shots pulled many a game out of the fire.

JAMES WOODLEE — Big Woodlee smoothed out the rough corners and settled down to become a high scoring guard. After finding his eye for the basket, he was good for at least ten points a game. He really was in there no matter what circumstances he was under.

LIPSCOMB'S SONS TALK THINGS OVER

SEWLAND — A natural for basket-
ball, yet with no previous experience,
played ball with the best of them,
and put in his two points when they
were most needed.

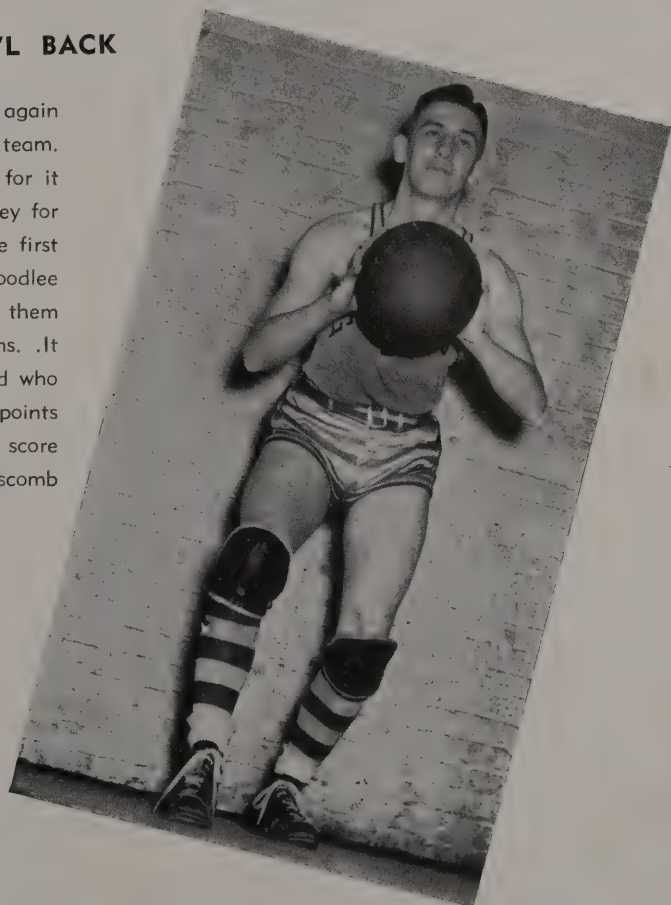

SEWANEE FALLS

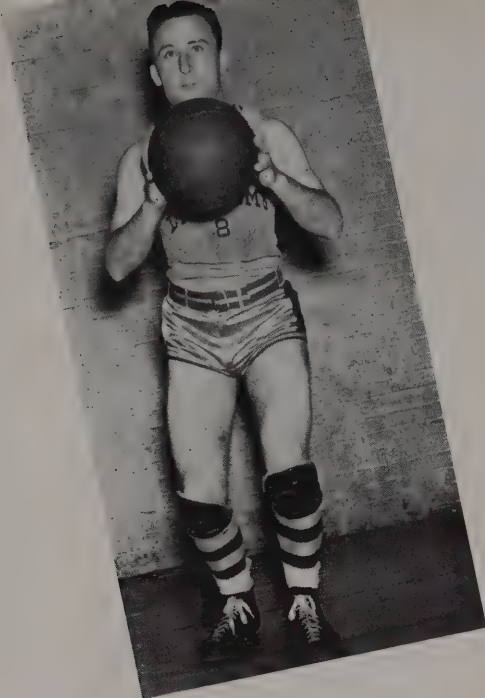

Early in the season, the Bisons began their march of victories with a win over the confident Sewanee team. It was Scobey with twenty points and Ray with fourteen who kept the score ahead the entire game. This was a push over with us on the long end with the score reading 49 to 34.

THORPE — One of the scrappiest players to ever play for Lipscomb, his excellent floor game kept the opposition worried. His points always came when they were most needed. He'll be back as a standout player for the 1943 Bison team.

THE BULLDOGS GROWL BACK

The Cumberland home floor again proved a jinx for the Lipscomb team. In fact, it was double trouble, for it cost us the use of Captain Scobey for two weeks, as well as being the first loss for this season. Ray and Woodlee with fourteen points between them were high scorers for the Bisons. It was Slim Patrick of Cumberland who was the star with twenty-five points and when the cloud lifted the score read Cumberland 46 and Lipscomb 21.

CARROLL — Drafted from intra-mural ball, Carroll proved he could "take it with the regulars." A good eye for the goal made up for his short stature. He saw a good bit of action during the season.

COVERED BUT YOU KNOW SCOBHEY

KIEFFER — It was Marion who so ably filled in Scobey's absence. He repeatedly took the ball off both boards. Quiet, good-natured, he was a hard worker, one that the team will miss next year.

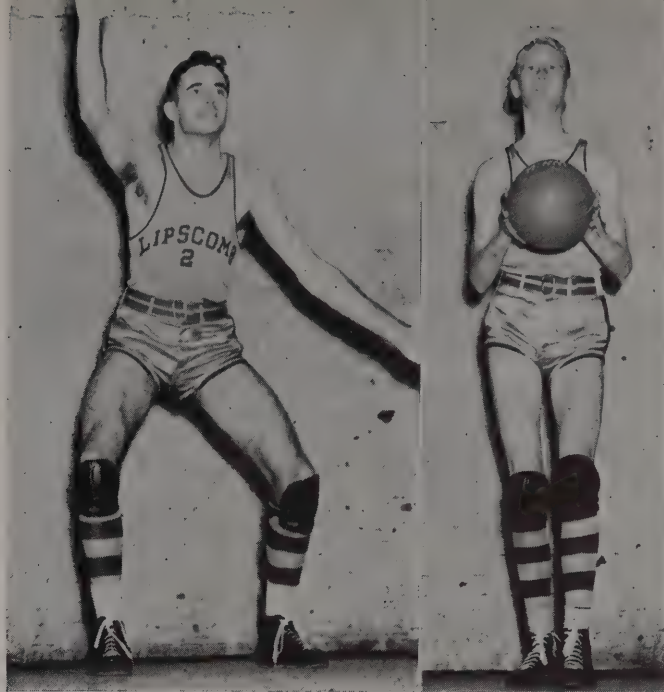

MURFREESBORO BEAT AGAIN

Another close game which was won in the final minutes. Without the services of David Scobey, the boys came through to play brilliant ball. Especially commendable was the defensive play of substitute Marion Kieffer, who repeatedly took the ball off both back boards. We edged through with a 29 to 20 victory. Yippee!

BOWING TO THE LIONS

Again jinxed by being away from their home floor, the Bisons were downed by a fighting Freed-Hardeman team. Cheered on by a handful of Lipscomb fans, the boys gave their best, but it just wasn't enough. The Lions were out for revenge having been whipped on our floor early in the season. The final score for this game was 34 for the Lions with 28 for the Bisons.

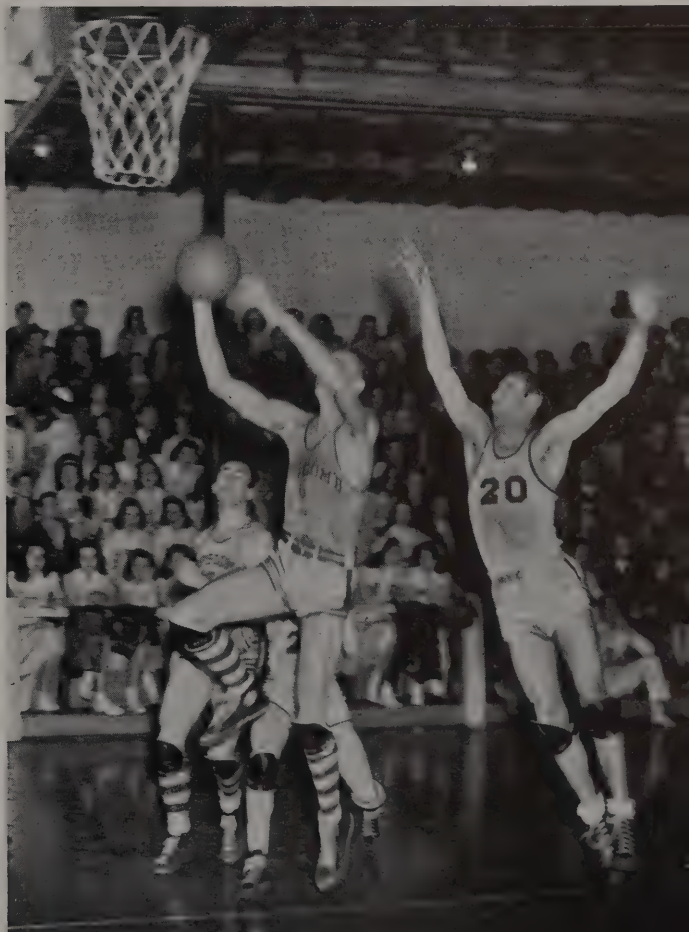

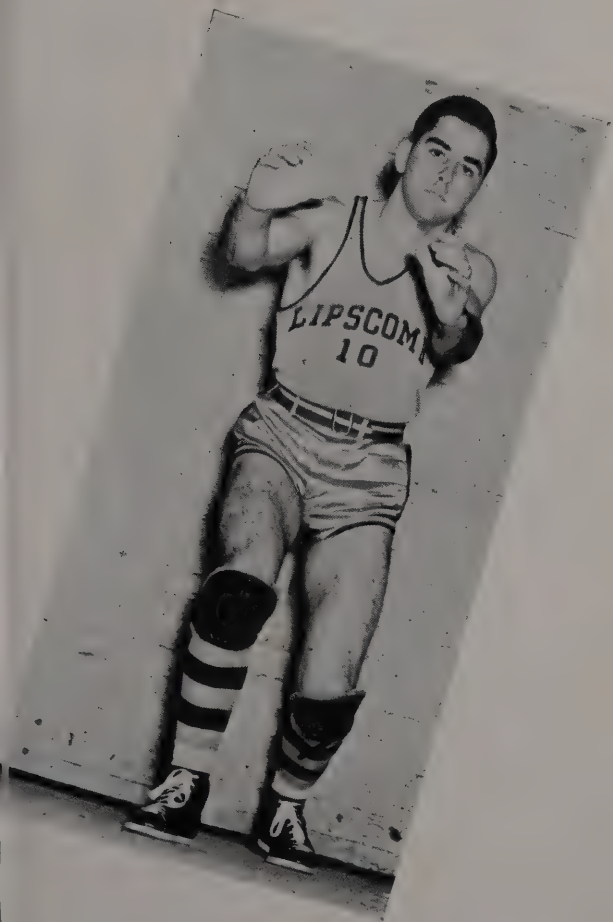

ARY — Also drafted from intra-murals, he proved his worth in the Freed-Hardeman game. An accurate eye for the basket, a fast dribbler, he was on the second string team and really fought when in the game.

TAYLOR — Joe played for Lipscomb last year in high school, and his knowledge of Nance's style gained him a place on the Bison team. A smooth ball handler with plenty of height, he will see plenty of action next year.

SHAUB — Clarence was a favorite with the crowd, one of the three returning players, game spirit, and basketball ability will come in handy next year. As Ray's under-study he didn't get much actual play, but could be depended upon when he did play.

FLEECY TIES THE SCORE AGAINST JR. VOLS

TRAFFIC DIRECTOR

"Deep in the heart of Bemis." This was the song that led the pep squad and band members to Jackson, Tennessee, on Tuesday, March 3rd. Why were they there? That's simple to explain; our boys had won a hard fought battle from the Freed-Hardeman Lions, and were playing the boys from Northwest Mississippi in the semi-final round.

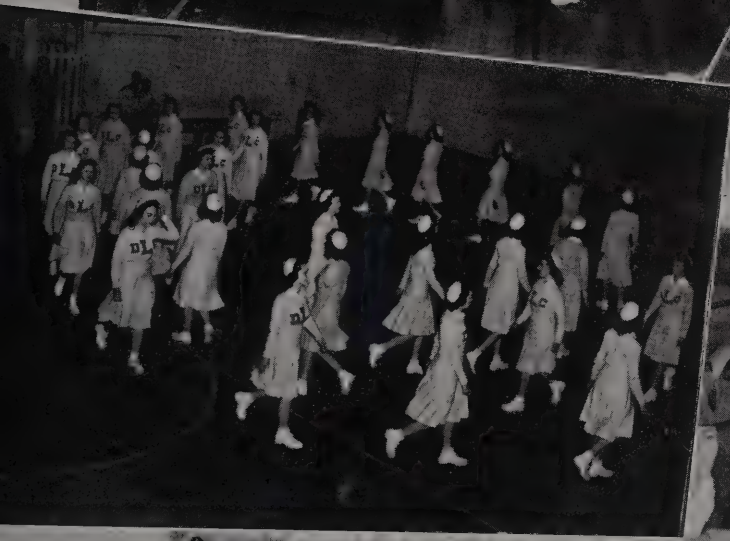

The game started, but no pep squad; Captain Castleman anxiously watched the entrance for they were due to march between halves. The whistle blew for the half to end with our boys barely ahead by three points. When the two busses rolled up, when the last one had climbed out and put a final touch of lipstick and powder on, it was too late to march. So they put their marching energy into some yells and cheers. This did the trick. The Bison team pulled away to a 50-36 victory. It was Coach Nance who said, "The pep squad and band won this game for us."

Fleecy and David kept the score up in the second half. David found his eye for the basket and kept the net swishing with the long shots while Ray kept busy with his crisp shots.

Then there was Thorpe, whose bang-up game fouled him out early in the fourth quarter. Also there were Newland, Woodlee, and Carroll who carried the ball down the floor a countless number of times.

After the game, it was decided the pep squad would march that night. The boys felt pretty good, and the rest of us felt wonderful. Tension grew as game time drew nearer. When the whistle blew, it seemed hours before we scored and the opposition had already pitched in three baskets. It was four minutes before we tasted blood, when Scobey started the scoring with a foul shot. From then on it was a ding-dong affair, the half ending with the Bisons trailing 18-16.

At the beginning of the third quarter it was an inspired team that took command and played brilliant ball to a much deserved victory. Woodlee, playing his last game for the Bisons, allowed the opposition but a few points. Thorpe, who always scraps for the ball, fouled out early in the fourth quarter, but not in vain. Scobey also playing his hardest was sent to the bench in the fourth quarter. But the Bisons were not to be denied. Their victory was well-earned. Our vote for the best player would be divided between Scobey, Ray, Woodlee, Newland, Thorpe, Ary, Shaub, Carroll, Kieffer, Taylor and a special bouquet to Coach Nance and Manager Wells.

THE BISON NINE

Mgr. Bonner

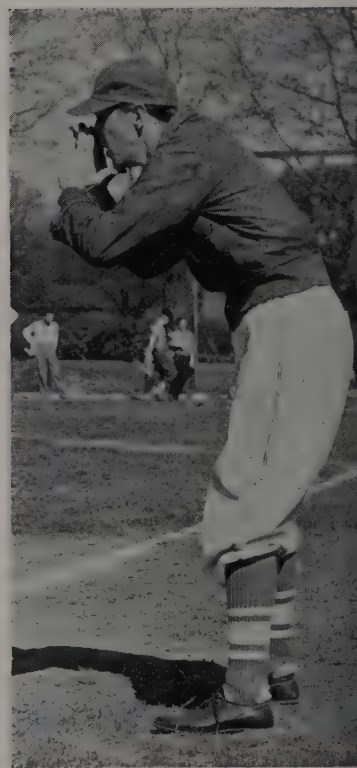

"Head's up." This familiar cry was heard daily as Coach Neil's batmen began spring practice, and "head's up" was the type of ball they played during the season. Six returning lettermen gave some much needed experience, and the addition of Pitcher Jim Long Livingston and catcher Shorty Lawson made the prospects for a winning ball club fairly bright. Dave Hearn, who changed from pitcher to first, Norton and Evins, who fought it out for second, David Scobey, hard hitting short stop, and Gleason Williamson, who held the hot corner, made up the infield. Dudney, shifted from second to right field, Bruce Newland, dependable center-fielder, and Jimmy Stephenson, left field, handled a snappy outfield. Livingston was assisted in the pitching duties by Ralph Matheny and Hugh "Duck" Swan. Keith Wright occasionally substituted in the outfield. This completes the roster of the 1942 squad, but Manager Billy Bonner and bat boy Bobby Mason really kept the team on their toes with their cheers and boos.

Hugh Swan has a new technique, said Bonner in the BABBLER, "To fool the batter Swan has a delivery that really has them guessing. After seeing a series of arms and legs flying around loose in and out of a regular whirlwind, all of a sudden, to the complete amazement of the batter, here comes the ball."

A splendid song leader, a logical teacher, and a capable coach is Robert G. Neil. His boys play their hearts out for him, justly so. You can always count on coach "Bob" for a fair hit on the ball field or in the class room.

It was a scrappy, fast playing, well-balanced Mustang team that Coach "Dabbo" Phillips turned out for the 1942 season. Winning 20 of their 28 games, their record is Lipscomb High's best. Praise for this surprise team goes to each team member, but especially to Captain "Chuck" Youree who, recovering from a severe gunshot wound, led his teammates with continued brilliant play. It was "Chuck" who scored an all time record with his 29 points in the Mt. Juliet game.

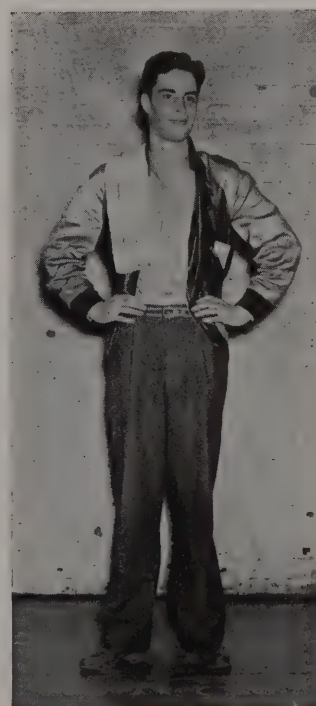

Then there was Russell Hatcher who was out with foot trouble and "lesson trouble," but who stayed in there to snatch games from our opponents. And never shall we forget the much improved play of diminutive George McIntosh whose fast floor game and accurate eye was a thorn in the side of the opposition. Bubba Hunter, perhaps the most dependable and steady player was a definite asset and led the foul shot average with 30 out of 59 attempts. Another one of the starting five was Harold DeMoss who saw service in every game and did a swell job of holding down the guard position.

Also bothered with foot trouble was big Doug Lawson, who will have his chance next year. A steady player, he did his bit in the Franklin game. Clunan was the surprise of the season, and really smoothed out to look like a veteran on the court. Chinky held the Brewer tradition of guard and could be counted on to fill in whenever necessary. Huff and Dunlap showed much improved play and although rode the bench, really scrapped it out in scrimmage.

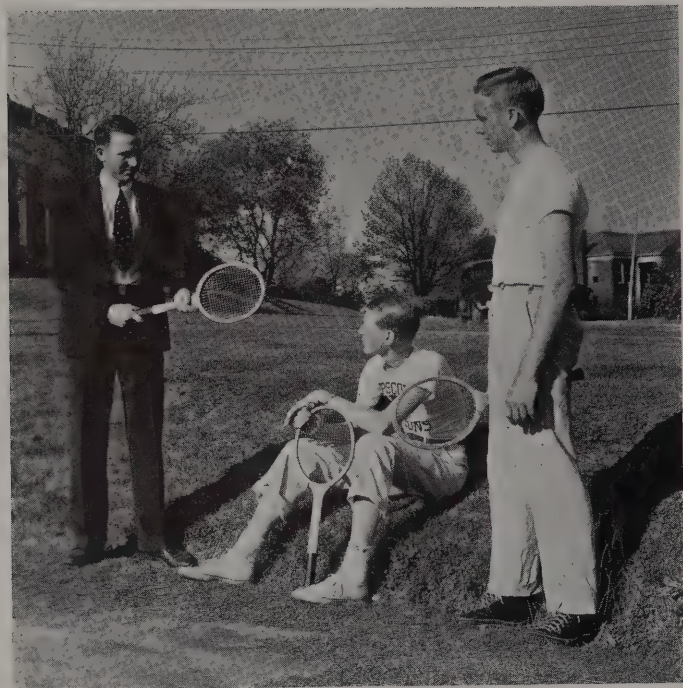

A high-light in the season was the triumph over Ryan. The boys, playing their hearts out, amply rewarded Coach Phillips' endeavors on the practice floor. This trigger play was good enough to assure them of a seeded position in the eighth district tournament.

Their first opponent in the tournament was Hume-Fogg. Though doped to win, the Mustangs were hard oppressed all the way. The game ended with the score 36-30. But the victory was short lived as the Ryan Panthers had little trouble in putting aside the Lipscomb boys in the semi-finals.

COLLEGE TENNIS TEAM

Lack of experience made hopes of a championship team look dark at the beginning of the season, but the first match with the Junior Vols proved that the Bison racqueteers will be hard to beat. The Lipscomb boys won 4-2 on our courts.

John Alan Stough holds down number one spot by virtue of his steady playing and accurate placements. Versatile David Scobey is second man and is also doing a good job on the ball diamond as well. Sonny Stubblefield, Clarence Shaub, and Ray Dillard, who is a letterman from last year, make up the team. Jack Duncan occasionally fills in, and his good play in the U. T. Jr. match makes him a strong contender.

Herbert Nance, who has a habit of putting out winning teams, is doing his usual excellent job as coach. His previous teams have marked him as a man of unusual ability.

MUSTANG NETMEN

Rated as one of the city's best, the Mustang racqueteers are expected to be one of Lipscomb's best. Led by last year's interscholastic champ, George McIntosh, the team is keeping the courts hot. His improved game almost won from Bobby Reese, Southern Prep School Champ, in the first match of the year. Number two spot was copped by Bubba Hunter in an upset match over Chuck Youree, who is holding down third place. Little Boggs Huff, a mighty racquet wielder for his size takes fourth position, while Jennings Davis, new addition to the team is in fifth spot. No slouch at this game himself is Coach Eugene Boyce. His tournament experience enables him to teach the fine points as well as the fundamentals. East High fell on the David Lipscomb College courts 7-0. The boys did some sound playing and we are hoping to bring home another trophy.

INTRAMURALS

When it comes to intramurals, Gene Boyce really knows how it is done. During his five year stay at Lipscomb, he has built up a well-balanced, finely organized intramural program for the Lipscomb students. Better known as "Fessor," Mr. Boyce is one of the most popular teachers on the campus. With very little, he has introduced several new sports at Lipscomb, some out of his own head, to make a most successful year.

His intramural set-up has everything from ping pong to six man football. Any student may participate, making keen competition, because the individual participant accumulating the highest points during the season receives a cup, with the next four high receiving medals.

Each participant is a member of one of the sixteen clubs. The increased interest made it necessary to enlarge the set-up from ten to sixteen clubs, each one having its own president and captains.

Softball begins the year's program. This begins early in the fall, when everyone is just getting acquainted and serves as a perfect way for becoming friendlier. It was the Cavaliers who came out on top with George McIntosh who pitched the team to 10 victories. Then there was David Scobey, Gleason Williamson, Hugh Swan, Alden Norton, Chuck Youree, Dave Hearn, Rice Jacobs, and Billy Bonner who were all great additions to their individual clubs.

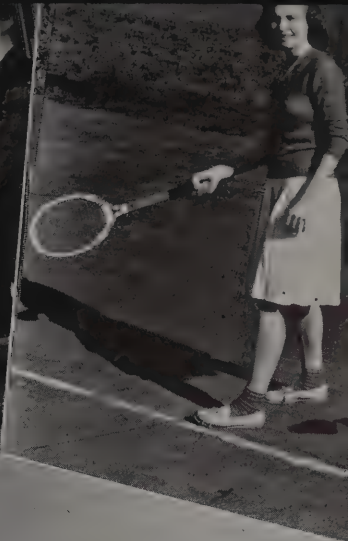

The girls also had a fast softball league. Julia "Speedball" Thomas has a pitch that swept them all off their feet. She kept them swinging and placed the Cadettes in first place. Lois Floyd, Nova Jennings, Evelyn Norrod, Margaret Gooch, Annie Dement, kept things hot for the fielders.

Our prep school city champ, George McIntosh, had an easy time of the intramural tennis tournament. However, John Alan Stough proved real competition. In the girls division it was Droop Burton who won a hard fought match from Rachel Hardison. Dyersburg put up two semi-finalists, Margaret Gooch and Marjorie Prichard.

The touch football took as much backbone and grit as regular tackle. In fact, practically every game brought forth a busted nose or black eye. The Cavaliers survived this onslaught to become the final victors. Standouts in this sport were Neal McLeskey, Jim Livingston, Allen McGuire, J. W. Thorpe, Bruce Newland, David Scobey, Hiram Hutto, and Ray Jackson.

Most popular was six-man football for the boys. The comets won a close playoff in football from the Knights. Standout players were Jim Long Livingston, John Pitts, Will Taylor Lee, Paul Keckley, and Sonny Stubblefield.

Volley ball took the spotlight between football and basketball. It was also won by the Cavaliers. A game of skill rather than of brawn, it brought forth among the better players Chuck Youree, Bruce Newland, Allen McGuire, Sonny Kirk, Hiram Hutto, Clarence Shaub, Felix Ray, J. C. Gaw, and Joe Sanders. Among the girls it was Margaret Gooch, Erlene Trammel, Katherine Netterville, Rachel Hardison, Lois Floyd, Ruth Murphy, and Fanajo Douthitt.

The Beta girls club didn't lose a game in basketball this season. Piloted by all-round Nova Jennings and aided by captain Gooch, Rachel Hardison and Betty Hagewood, they took a championship in tennis, volleyball, basketball, and runner-up in softball. Much opposition for the basketball title was found in such star players as Julia Thomas, Katherine Netterville, Louise Holley, Lois Floyd, and Elizabeth Jones.

Double winners in the boys basketball tournament were the mighty Trojans with such members as Joe McPherson, Alden Norton, Tom Ingram, Hugh Swan, and M. F. Norwood. On the other teams there were sharp shooting Jim Long Livingston, Will Taylor Lee, Ira Douthitt, James McMeans, and Howard Youree. Of course we couldn't forget clown Warren Cargal and Edsel "Doc" Wells.

That lull between winter and spring found sports going full sway. A new game, golf-basketball was the rage. At nine different positions on the court tries were made for the basket. The one with the lowest score was winner. Chuck Youree survived some close competition to win from "Duck" Swan, who put out George McIntosh. Chuck had defeated Joe McPherson in the semifinals. The girls found a real upset in Gay Golden, who took care of such players as Nova Jennings and Katherine Netterville.

A free throw tournament was next. In the girls division it was Olivia Huffstutter and Ruth Murphy who tied for first place with 37 out of 60 tries. The boys winner was Loren Merritt with 47 out of 60.

As the spring progresses, so do the sports. Ping pong, horseshoes, softball, tennis, and archery are on the calendar. Most important perhaps is field day, when our local track boys and girls have a chance to shine. With such standout speedsters as Paul Keckley, James Burton, Troy Lynn, winner of the cross country run, broad jumper Neal McLeskey, and shot put artist Allen McGuire, the meet promises to be a real success.

Students at Lipscomb are proud of their intramural system, proven by the large percentage of students who take part.

TUMBLING

Much famed are Lipscomb's tumblers, who made weekly appearances at the basketball games. Student instructor, Tom Hanvey, put the boys through paces, with the ease of a veteran performer. Forward rolls, hand stands, shoulder stands, back flips, pyramids, all were learned after long hours of practice.

In Tom Hanvey, physical director of the Y. M. C. A., the boys found a patient and willing teacher. He is a real artist at tumbling himself. His flips were much in demand at the ball games.

Members of the team are Sonny Stubblefield, W. D. Hunter, Bookie Brewer, Fred Stroop, James Dunlap, Lar-rimore Henley, and Jack Stubblefield.

Gleason Williamson, the tow-headed engineering student from Mt. Pleasant, Tennessee, was chosen president of his class for the second time. As president of the freshman class, he proved his efficiency to such a degree that he was re-elected as president of the senior class last fall. Gleason's friendly smile and his willingness to work have helped lessen the bumps which the class encountered during the year.

Montgomery's tennis star, **John Alan Stough**, was re-elected as vice-president of the senior class, having served as vice-president of the freshman class last year. When we think of John Alan, we'll always remember — good looking sport shirts, his blushing modesty, and that effervescent giggle.

Sadie Gregory, our secretary for the second year, is a thorough-bred Lipscombite, having attended Lipscomb from grammar school up. Along with being one of our honor students, and a campus beauty, Sadie has shown that she can get things done. When we think of Sadie, we immediately see long, golden brown, flowing hair.

Clarinet playing **Tommy Wagner**, from Hopkinsville, Kentucky, was chosen this year as treasurer of the senior class. Student director of the Band, and a member of the Men's Glee Club, Tommy's main interest lies in music. Small of stature, and with a good sense of humor, Tommy has been an efficient treasurer for the class of 1942.

LIBRARY

The one quiet (?) place on the campus . . . some use it for studying . . . others, well . . . magazines, encyclopedias, text books, newspapers, fiction, non-fiction, etc. . . . therein lies all knowledge . . . some we absorb by osmosis, most by gossip . . . if sitting in the library is an education, some of us have our degree.

CLASS OFFICERS

JOE SANDERS, President, **JACK DUNCAN**, Vice-President,
MARGARET GOOCH, Secretary, **JOHN PITTS**, Treasurer.

This year's Freshman Class has done much to brighten and pep up the school year. With their youthful exuberance under the skillful direction of president Joe Sanders, the freshmen have carved for themselves a notch worthy of note here at Lipscomb. The class has students from Alabama, Kentucky, Georgia, Florida, Virginia, Missouri, and Illinois, along with those from Tennessee.

The outstanding activity of the class this year was the banquet at which the Freshmen entertained the Seniors. And they did themselves proud, too.

Tall, blond Joe Sanders, from Old Hickory, Tennessee, a member of the debate team, and a capable young preacher has served well his post as president of the class of 1943.

Jack Duncan, that smiling boy from Dickson, Tennessee, has served efficiently that position which is called vice-president, but may include most any task.

Margaret Gooch, the blonde girl so proud of her home town, Dyersburg, Tennessee, was class secretary. An honor student, member of the Press Club, and a good secretary, she has proven to the class that they were wise in selecting her for that position.

Treasurer John Pitts, from Murfreesboro, has handled the financial end of the class this year. Also treasurer of the Dramatic Club and business manager of the Backlog, his ability to stretch a dollar has made him the campus financier.

High School

"Lipscomb High," filled with energetic, loyal students, has made its presence felt all during this school year. If it was tickets to be sold, the high school sold them. If it was a college banquet that needed waiters and waitresses, the high school obliged. They are the proud supporters of "The Mustangs," who had as much box office appeal as the "Bisons."

Although not making up a major part of the entire school's enrollment, they make up for their deficiency in number by an overflow of school spirit and loyalty.

George McIntosh President Junior Class
Chuck Youree President Senior Class
Martha Hurt Secretary Senior Class
Betty Hagewood Treasurer Senior Class
Jennings Davis Vice-President Freshman Class
James Stanton Vice-President Junior Class

"Bo" Mason President Freshman Class
Ramona Fox Secretary-Treasurer Junior Class
Grace Shumate ... Secretary-Treasurer Freshman Class
Betty Jane Allen Secretary-Treasurer Sophomore Class
Sterling Fox President Sophomore Class
Larrimore Henley ... Vice-President Sophomore Class

SENIOR

"CHUCK" YOUREE

A Lipscombite since his fifth grade, elected as most popular boy in the high school for two years, and captain of the "Mighty Mustangs," the seniors chose a well rounded classmate to act as their guide during this school year. Along with his interest in basketball, Chuck is a member of the Dramatic Club, and on the tennis team.

GEORGE McINTOSH

A versatile little athlete whose main interest lies in tennis, George has acted as the pilot to the junior class through a very successful year. The inter-scholastic tennis champ, runner-up in both the city junior tennis meet, and the state meet, he also was a standby on the Mustangs. George acted as the manager, and master of ceremonies of the annual banquet, which the juniors gave the seniors, and a grand job they did, thanks to president McIntosh.

If I had my way, I would write the word 'insure' over the door of every cottage, and upon the blotting book of every public man; because I am convinced that for sacrifices that are inconceivably small, families can be secure against catastrophes which otherwise would smash them forever. It is our duty to arrest the ghastly waste not merely of human happiness, but of national health and strength which follows when, through the death of the breadwinner, the frail boat in which fortunes of the family are embarked, flounders, and the women and children are left to struggle helplessly on the dark waters of a friendless world.

A Personal Message...

Dr. George S. Benson in president's new home.

One's education never stops. It is a lifetime process — an exciting adventure, full of many thrills and possibly some spills. You have started out splendidly, for you who leave D. L. C. this year surely know that she has given you something which will never leave you. Ideals for service are yours. Hope for a better world stirs your hearts. Christian living, as close to Christ's pattern as you can possibly mold your lives, is your goal.

But those who serve best should best be prepared completely. And especially should you complete your academic career in times like these, for untold possibilities no doubt will come to those who will serve and can serve.

Harding College offers you the highest quality of instruction, under a Christian faculty in a Christian environment. You may continue your work in any of 20 majors, and degrees are granted in any of three general fields — Liberal Arts, Sciences, and Music. Extra-curricular work is outstanding. Our campus is beautiful and inspiring. Will you investigate what Harding has to offer, and plan to be with us next September?

SPECIAL FEATURES OF PEPPERDINE SUMMER SCHOOL

1. Wide offering of courses taught by the regular faculty of the college.

Courses will be offered in art, business administration (including typing and shorthand), education and psychology, English, home economics, languages, mathematics, music, physical education, religion, science, social science, and speech.

2. Many courses especially planned for present world interests and needs.

These include personnel administration, contemporary history, government accounting, education in a democracy, community play production, Christian ethics, and many others.

3. Well planned recreational program to make your summer pleasant.

It is only ten miles to beautiful beaches. There will be opportunities to visit many places and to see many things you have always wanted to see.

4. A fine Christian environment.

All who visit Pepperdine College comment on the fine spirit on the campus. This spirit of friendly helpfulness cannot be described easily—you must be a part of it to understand.

5. High quality of academic work.

George Pepperdine College is a senior college fully accredited by the Northwest Association of Secondary and Higher Schools. Work taken at Pepperdine will be accepted anywhere in the country.

Remember to bring a coat for the cool, summer evenings.
